Due Date: **January 26, 2017 (Beginning of Class)**
Point Total: **10 points**

1. *Map of your neighborhood*
2. *Map Critique*

Map of your neighborhood:

- Using data found online create a map of your neighborhood or area surrounding where you work.
- Map should be letter size

Map Critique:

- Write a critique of two static maps that are available online; one you feel shows good cartographic design and one that does not.

- Explain the positives and negatives for each map.
- Include a link to each map. If possible please shorten your links (a simple web search will find many free services to do this)
