Here is a list of some online maps regarding Hurricane Irene I have run across. I will try and update this list as more come to my attention.

- The Weather Channel - Hurricane Tracker
- Esri's Latest News Maps - Hurricane & Cyclone Maps
- NOAA - Hurricane Irene Maps and Information
- Miami-Dade County - Storm Surge Simulator
- New York City Hurricane Evacuation Zones (PDF 1.49 MB)
- New York Time - Hurricane Irene Tracker
- Washington Post - Hurricane Tracker
- The Charlotte Observer - Interactive map: Hurricane Irene's path

This site is also a list of Hurricane maps and resources - AnyGeo Blog - Useful Hurricane Irene Data and Storm Related Maps, Data and WMS Resources
